### A MARVELOUS STORY TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882. "Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrofmla, and the inclosed letter will tell you what a marvelous effect

### Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humer for at lesst ten years; but it did not show, except in the form of a scrofulous sere on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his ago who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.
Yourstruly, W. M. PHILLIPS.

FROM THE FATHER: "It is both a a duty for me to state to you the benefit I have derived from the use of

### Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and serofulous sores. The humor caused an incessant and intolerable humor caused an incessuat and intolerated itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My aniferings were great, and my life a burden. I commenced the use of the Sarsapannilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work although 73 years of size. Many inquire work, although 73 years of age. Many inquire what has wrought such a oure in my case, and I toll thom, as I have here tried to toll you, AYER'S SARSAPARILLA. Glover, Vt., Oct. Yours gratefully, HIRAM PHILLIPS,"

AYER'S SARSAPARILLA cures Scrofuls and all Scrofnious Complaints, Erysipelns, Eczema, Ringworm, Blotches, Sores, Boils, Tamors, and Eruptions of the Skin. It cleam the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system. PREPARED BY

RAHLROADS AT WAR.

The Fight Precipitated by the Pennsylvania Road's Action Grows Interesting.

Prospect of a Still Further Reduction-Ben Butler Gives His View of the Battle.

CUTS ALL ALONG THE LINE. " New York, Oct. 18.—The war of railroad rates which the Pennsylvania Road precipiranged reception given to Mr. Blaine since he tated by refusing to allow the Baltimore & tated by refusing to allow the Baltimore & entered menigan serious. There were about \$,000 people present, who cheesed Mr. Blaine and General tracks assumed serious proportions yesterday when the West Shore Road, inspired, it is surposed, by its new ally, the Baltimore & Ohio, reduced its rates exactly one-nalf to Albany, Buffalo and local stations along its line. This at once brought down the price of tickets to Chicago to \$15; to Baffalo, \$4.65, and Albany, \$1. To-day tickets to Buffalo, Chicago, Detroit and local prints along the Chicago, Detroit and local prints along the Welcome, to which Mr. Blaine responded lines of the West Shore, Eric and Central were selling at about half ales, with a prospect of lower rates to-day. At the chief at \$14 to Chicago, \$3 to Buttalo and \$1 to Albany. At the Pennsylvania offices the

at \$44 to Chicago. \$6 to Bursao minest to Albany. At the Pennsylvania offices the price for Chicago tickets was \$20, but it was freely predicted that as Erie was openly selfing under the pool rates the Pennsylvania Road would soon follow suit.

BUFFALO, N. Y., Oct. 19.—Passenger agents here received orders testerday to make a rate of half the regular fare to all points between here and New York, which where through three at \$4.65, with the round points herwest here and terminal phases through fare at \$4.05, with the round trip at \$9.25, limited to thirty days. Customers are not allowed to leave any local office. Every road out of Buffalo has been selling tickets to New York for five dollars for some Vork by New Control which under a some York for five dollars for some time, except the Central, which made a \$8.50 rate. The first-class rate to Chicaga is now \$9. "The quickest way to remedy matters is to have some line make a rate of \$1 between New York and Bartale, and that will bring the crists, and the general managers will then take hold and put a stop to the war," said a local passenger

agent.
I'HCA, N. Y., Oct. 18.—An enthusiastic crowd welcomed General Butler on his arrival here yesterday. He addressed a crowded meeting at the open house. In speaking of the present railroad troubles he

the Inquest on Mitchell's Body. LA Chosse, Wis., Oct. 18.-A Coroner inquest was held yesterday on the body of Nathaniel Mitchell, who was lynched Thursday night for the murder of Frank During the proceedings the court-house was packed, and hundredstood outside the building. Twelve witnesses were examined, including the witnesses were examined, including the Sheriff, several policemen, and office eye witnesses of the munder and lynching. We evidence could be elicited which would fix the identity of the parties who were engaged in the hanging of the numberer, and the jury returned a verdict that he came to his death at the hands of persons nuknows. Business here practically suspended yesterday, people generally devoting themselves to discussing the terrible murder of the night before, and the swift vengeance which tothowed the crime. From what has transpired it would appear that

in possession of a gang of roughs and whisky-sellers, contrary to the Publicwhisky-sellers, contrary to the Public-Works act, which prohibits the sale of liquor where Canadian Pacific work Is in progress. The respectable people in the place have received notice to leave. The Canadian Pacific navvies at Michipicoton aided the whisky-peddlers in openly detying this law, and when the authorities endeavored to suppress the liquor traffic they were assailed by a mob, who shot two constables, broke open the jail and rescued the prisoners, and threatened Magistrate Burton with murder unless he left the place. Next night they visited the headquarters of Mr. McDonald, the Canadian Pacific agent, and Mr. Burton's house, and fired at them with Winchester rifles. They styled themselves Mollie Maguires.

Curing by Faith. WATERTOWN, Wis., Oct. 18 .- W. H. Buckley, a harness-maker from Chicago, has opened a series of meetings in the Baptist Church for the healing of the halt and diseased. The afflicted appear before the diseased, The afflicted uppear before the attar and are addressed briefly by Mr. Buckley before the ceremony of laying on of hands takes place. The most remarkable case so far is that of Miss Ellen Buchle, of Waterloo, who was so weak from consumption that she had to be helped to the place at the altar. When the ceremony was completed, however, she arose and walked with a firm step around the pulpit to her seat and declared she was entirely cured. Buckley will remain some time, and will probably draw great crowds.

Dastardly Outrage. CUYAHOGA FALLS, Oct. 18.—Wednesday night the shoe-store of J. H. Cooke was broken into and several hundred pairs ruined by cutting across the instep; rolls of leather and cases of goods were thrown in river. Revenge was evidently the motive, no money being stolen. No clew. Loss, \$700 to \$800.

### THE LEADERS.

Mr. Cleveland Returns to Albany from Mis Brooklyn Trip—Mr. Blaine's Tour NEW York, Oct. 18.—Governor Cleveland

weakfasted yesterday morning with Colonel Lamont, and then received callers until eleven o'clock. Chairman Barnum, Senators Jonas and Gorman, Chairman Smith, of the State Democratic Committee, a delegation from Virginia and a party of gentlemen from Alabama; John T. Agnew, ex-Mayor Gunther, Joseph Pulitzer, Congress man Dorsheimer, Samuel D. Babcock, Sere ator Wallace, of Pennsylvania, Senator Pendleton and M. Glennan, of the Virginia State Democratic Committee, were among these who called. The Governor left for Albany at three o'clock in the afternoon.

Governor Cleveland has accepted an invitation to visit Newark, N. J.; on October 27

Railroad Company, which owned it, has been making good the losses. Finally the company gave up hoping that the Government would subsidize the line and began the negotiations which were concluded Thursday. It is amounced that the International Navigation Company has agreed to try and build up the Philadelphia and Liverpool trade and to retain the present name of the American Line. It may be necessary for them to do so under a foreign flag. It is also officially stated that their contract with the Pennsylvania Company requires the International Company pany requires the International Company to run a branch of the American Line between this city and Liverpool,

Mortuary Statistics of the Army. WASHINGTON, Oct. 18 .- The Surgeonwhich followed the crime. From what has transpired it would appear that Mitchell had intended to kill at least two men, one of whom is supposed to have been Charles A. McDonfid. The nurderer was armed with two splendlid self-cocking Smith & Wesson revolvers. It is now suspected that it was he who attempted several weeks ago to shoot ex. Chief-of-Police Hatch, and only left him when the officer was apparently dead. The funeral of Mr. Burton will take place Sunday afternoon.

The General Condition of Trade Decidedly Dull-No Improvement Expected Until After Election.

The Failure Record for the Week Shows a Lengthy List of Business Crashes.

A RECEIVER ASKED FOR Sr. Louis, Mo., Oct. 18 .- The failure Thursday of the Carbondate Coal and Coke Company has been far more disastrons in its effects than was at first supposed. This afternoon it swamped the Harrison Wire

Company, one of the largest manufacturing institutions in the city. The failure is estimated at \$750,000, and caused the utmost consternation when it became known in ousiness circles Edwin Harrison, the chief capitalist of

the coecern, is the most prominent business man in the city, and over \$500,000 of is paper is held by the various banks. Late yesterday afternoon Augustus B. Hurt made application in the Circuit Court for the appointment of a receiver of the Harfor the appointment of a receiver of the Harrison Wire Company. He alleges that the company issued 150 bonds of \$1,000 each, that he is the holder of thirty-five of said bonds, and that there has been a default in the payment of the interest thereon. He further alleges that the company is insolvent, and asks that the deed of trust on the factory tools and two and one-half agrees of ground asks that the dext of trust on the factory, tools and two and one-half acres of ground in the city owned by the company be fore-closed. The application is made on behalf of himself and such other bondholders as may choose to join him. The plea of insolvency is based mainly on the fact that the company failed to pay its promissory note to Hart for \$25,000.

The liabilities of the company are estimated to be nearly \$500,000 over the assets.
